

# GX Adapt

Multi-Head Accent System

# ADAPTS TO YOUR DESIGN

---

The GX Adapt is a modern, compact luminaire that redefines the traditional multiple light fixture. It boasts a sleek, small form factor and combines the architectural refinement of Birchwood extrusions and machined endcaps with the renowned optical performance of Intense Lighting. This makes it an ideal choice for offices, hospitality spaces, and high-end retail environments. The GX Adapt is available in pendant and surface mounted configurations, and its stylish design and superior functionality make it a perfect lighting solution for various commercial applications.

Powerful 2-inch aperture heads provide up to 800 lumens each in 1- to 4-head configurations

---

Seamless operation with tool-free adjustability

---

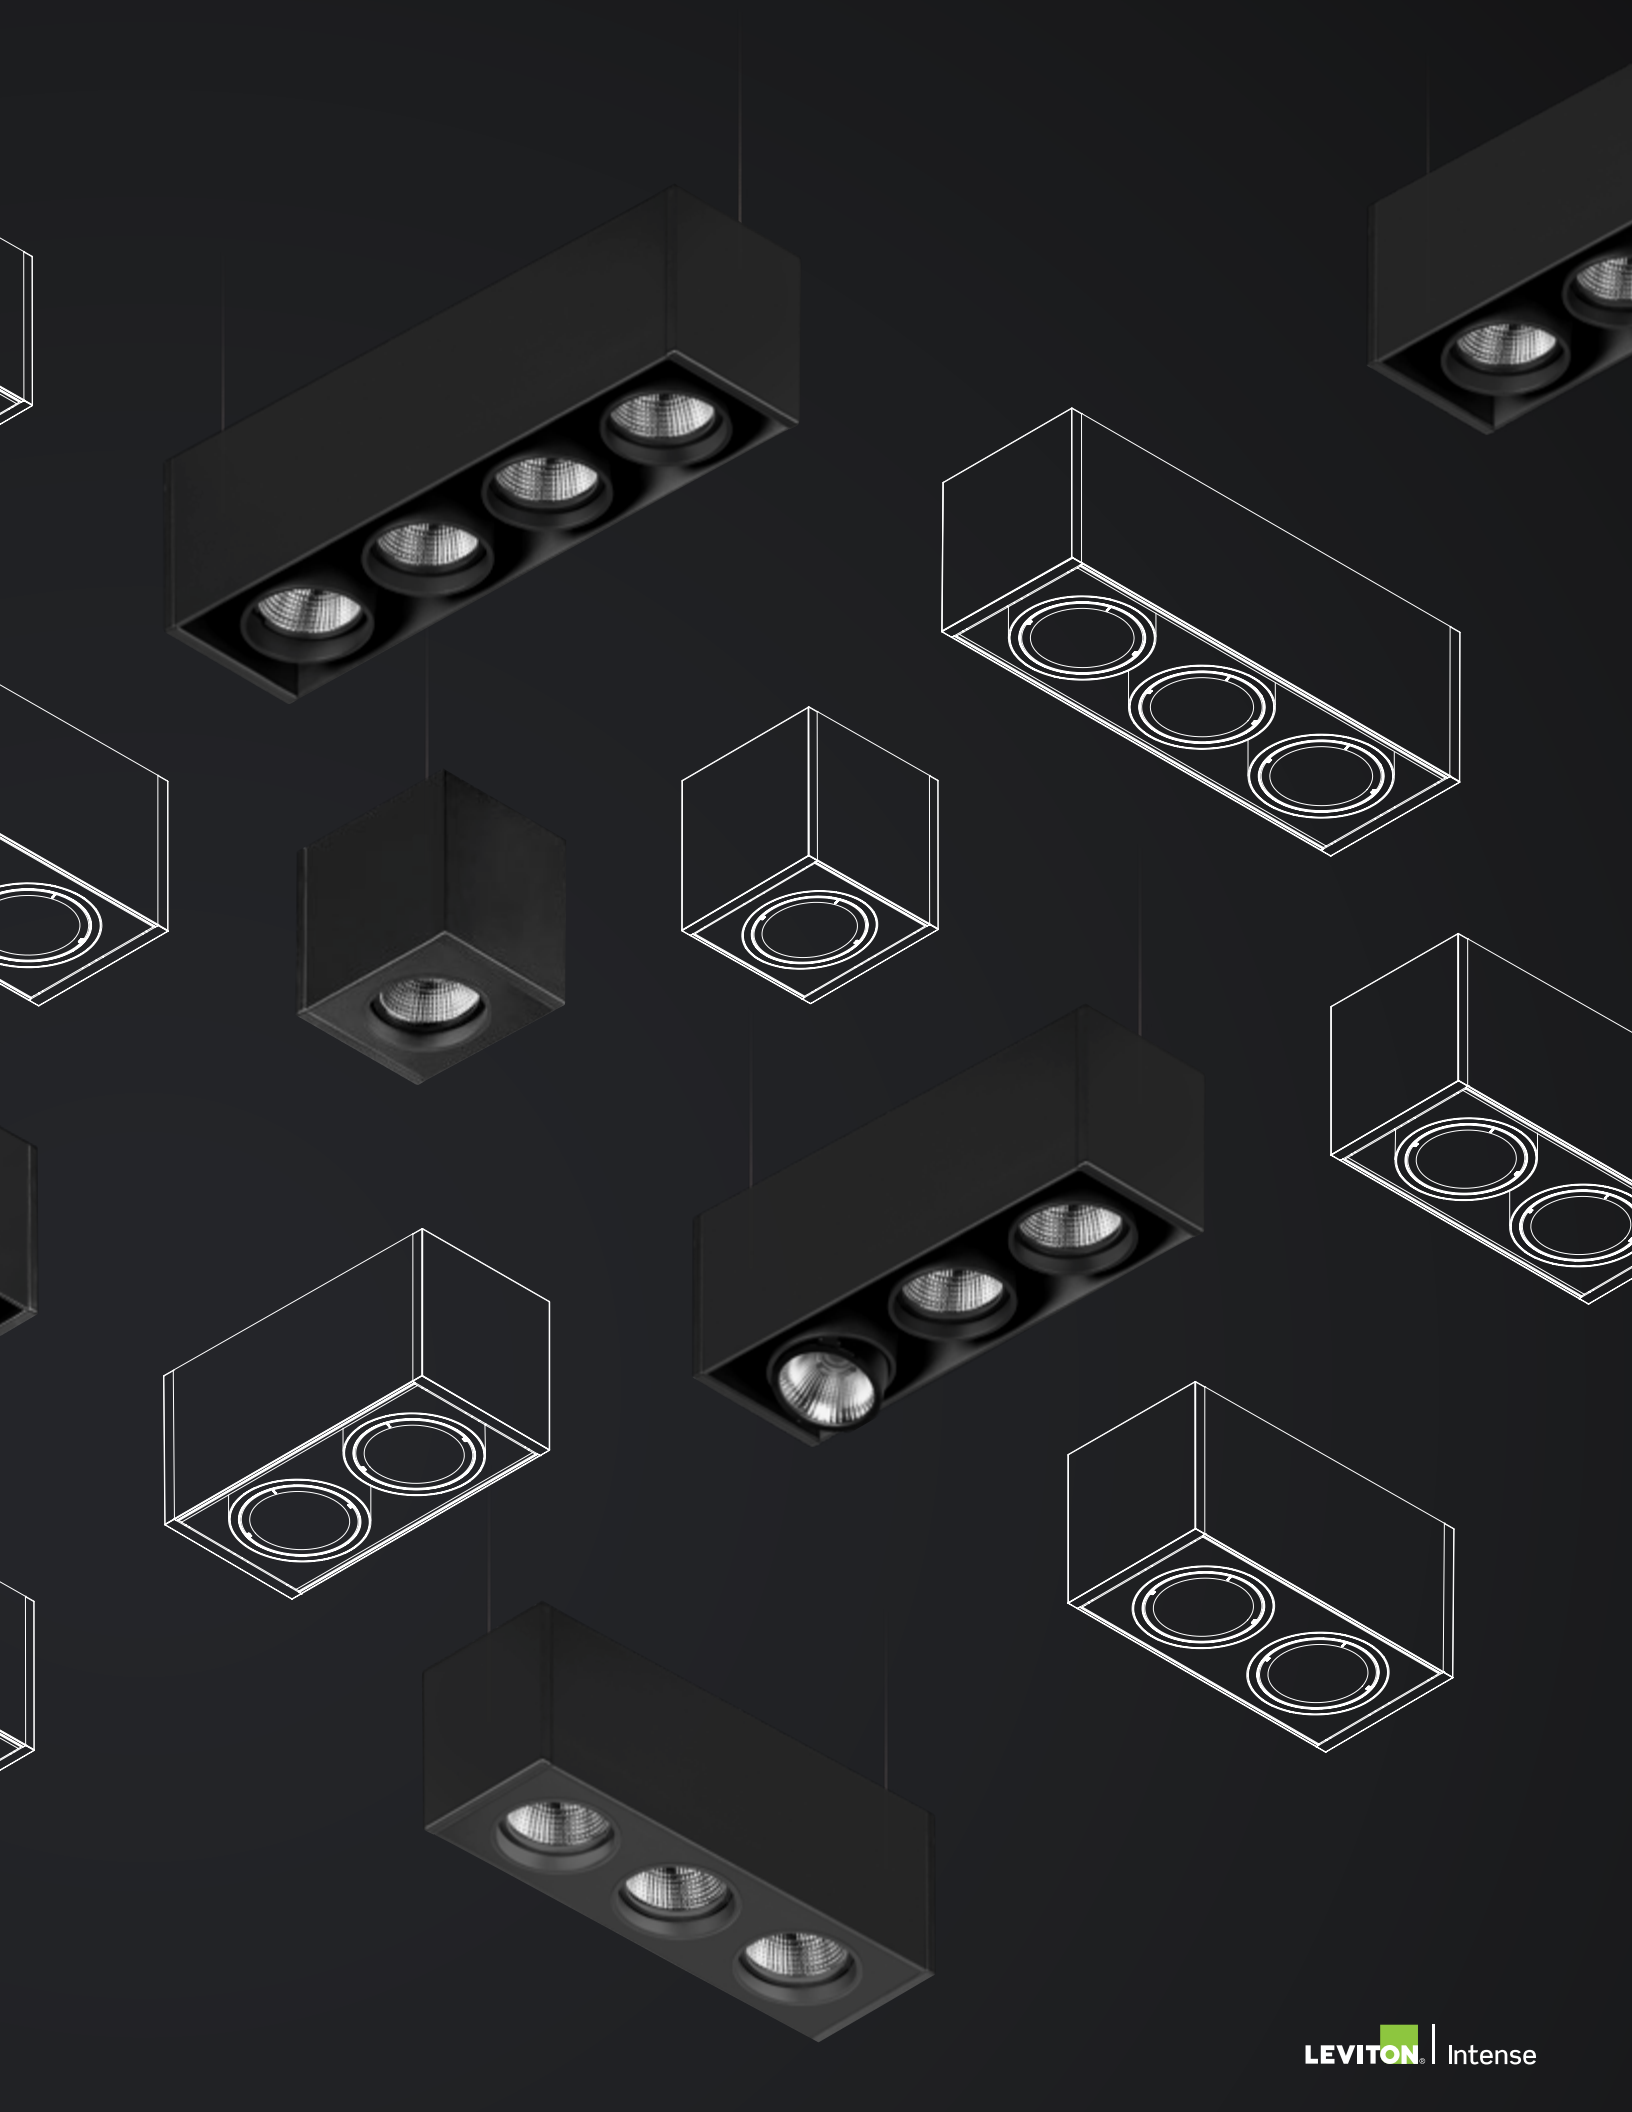

Effortless aiming with 30° vertical tilt and 360° horizontal rotation

---

3.25" extruded housing can be surface mounted or cable suspended

---

# ADAPTS TO YOUR NEEDS

GX Adapt conforms to your environment. The versatile 3.25" extrusion fits seamlessly into any application or makes a bold statement. The optional trim cover plate adds a touch of elegance, but can be left off for a more traditional design.

## Lumen Packages

L05		7.5W	600lm
L0		10.5W	800lm

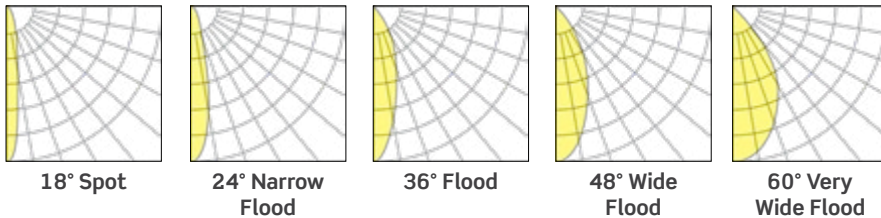

## Color Control

CCT/CRI & light source features 2700K-4000K in 90CRI at 2 SDCM

Trim Plate

# SET YOUR TONE

## 30° Vertical Tilt & 360° Horizontal Rotation

Set the tone and choose your target. With a 30° vertical tilt and 360° rotation, each head can be individually aimed for a personalized look and feel.

# Flushed or Semi-Recessed

We put the power back in your hands. Set the scene by individually adjusting each head from flush to semi-recessed and adjustable

## 1-4 Head Configurations

## Tool-less Adjustably

You can simply personalize the GX Adapt with nothing more than your fingertips. Everything from head positioning to optics, accessories, and cable suspension may be quickly adapted in the field with no tools needed.
