Gravity

# High Performance 4-Inch BIOS Illuminated Architectural Downlighting

- Up to 2000 lumens
- Round or Square Aperture
- Downlight, Adjustable, Wall Wash & Cylinders
- Easy New Construction & Remodel Installations
- 4-Inch Shallow Downlight for Tight Plenum Spaces
- Extensive Dimming Options

Gravity 4-inch Downlights integrated with BIOS SkyBlue Gen 2 technology! Intense luminaires embedded with BIOS SkyBlue® circadian lighting technology outperforms all traditional phosphor-converted white LEDs on the market, and offers the highest melanopic to photopic lux ratio (m/p ratio) for a given color temperature. This creates a more natural environment for indoor spaces, promoting healthier circadian rhythms, healthier sleep patterns and overall well-being for everyone.

### BIOS Illuminated

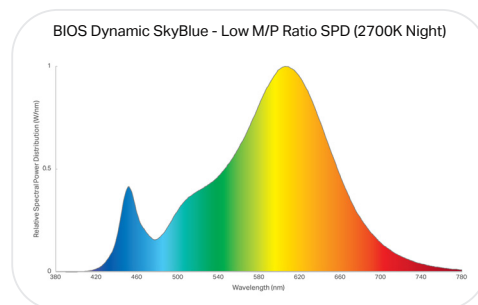

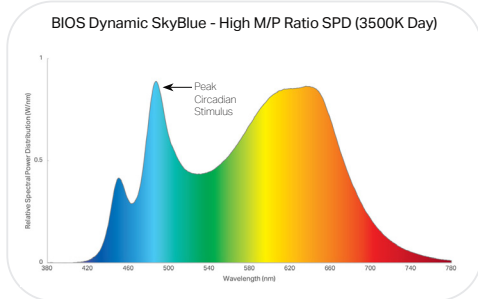

- Blue Spectrum Peak Emission at 490 nm
- 3000K, 3500K or 4000K w/ CRI 80+ and R9 > 90

### Field Changeable Optics & Accessories

Interchangeable high performance optics ranging from 14° to 50° with customizable filter media options

### Electrical Data (Based on Round Aperture)

BS05	500lm	10W
BS1	1000lm	18W
BS2	1500lm	27W
BS3	2000lm	34W
